MHS Driver Education Registration Eye Screening Form

The State of New Hampshire requires that all enrollees in a certified driver education program have an eye check before they get behind the wheel for the first time. This eye check is not in any way to be considered a thorough eye exam. That is not the intent. We want to make sure that all enrollees can pass the minimum visual acuity test when they go to the DMV to take their driving test. There will be a folder outside the Main Office, containing the Eye Examination Document. This folder will allow any eligible student, who intends taking an upcoming Driver Education course.

Process:

Eye exams will be conducted DAILY at designated times, <u>**10 days prior**</u> to the deadline. NO APPOINTMENTS NECESSARY!

Health Office 7:30-7:40 TASC

1:50-2:20

Make sure to wear corrective lenses if prescribed.

If these times do not work for you, contact the nurse to schedule an appointment. ph# 603-673-6102

email- anna.short@milfordk12.org

*You can also get it completed by a qualified eye doctor.

We encourage you to get your eye check prior to the opening of the Driver Ed. ONLINE APPLICATION FORM. Make sure that you keep the completed Eye Exam Document in a safe place, until the FIRST DAY of Class with a copy of your birth certificate. You will then staple the Eye Exam Document (p.3) to the Registration Form (p.2) and complete the Application with a parent or legal guardian. The Applications will be open about 30 days prior to the 1st class.

If you have any questions kindly email or text them to Mr. Robinson. (Fred.robinson@milfordk12.org) 603-533-1637.

I, ______ have had an eyesight screening and can read a series Student's name of letters or numbers and have minimum visual acuity of at least 20/40.

	In order to attain this acuity,	I must wear glasses or contact	s.
